MEMORANDUM FOR []

SUBJECT: Johannes MIKKELSON

With reference to the comprehensive memorandum concerning subject which we recently furnished you, we have now received an additional evaluation of subject from informed and, we believe, unbiased sources.

1. The opinion is expressed that even though subject may have some connection with the Soviets, his activities over the last several years would inevitably result in his eventual liquidation by them.

2. In spite of this fact he is trusted only on specific operations and is never taken into the confidence of the Balts as to overall planning and long range projects.
